

## ACACIA Building Works

The Board of Directors and Executive Team are excited to announce that BFN Developments has been appointed as our building contractor for the completion of Stage 2 & 3 of our major building works. We will be working with the DeNova Group Architects to oversee the project.

### **The Details:**

- Stage 2 – Acacia Rebuild (Internal funding with Government Grant \$1.88 million)
- Stage 3 – Lobby Project (Internal funding)

We plan to commence works for both stages mid to late July 2019 with Stage 3 anticipated completion date October 2019 and Stage 2 March 2020.

Plans of the stages will be displayed in the near future and further details of the building works will be included in our June Issue of the Yallambee Buzz.
