from the

and
Chairman of
the Board

MOVING FORWARD INTO 2019

2018 has seen great change at Yallambee within the Board, the Executive team, Departments and the services we offer. Our future direction into 2019 will see a greater focus on our resident's and customer's experience, we will see changes in response to new laws and the numerous changes that are occurring within the aged care and health care industry.

We would like to thank the Board, the Executive, Staff and volunteers for their dedication and commitment to Yallambee over the past year and for the residents and families who chose to live at Yallambee and have us provide care and support.

On behalf of the Board and the Executive Team we would like to take this opportunity to wish everyone a very joyous Christmas and a safe new year.

See you all in 2019!

St. Andrew's Day 2018

Everyone was a honorary Scot for the day as we had fun celebrating St. Andrew's Day. Residents made Scottish shortbread in the morning and learned of the history of this delicious cookie. Singing Scottish songs, Scottish Trivia, watching Highland dancers and even listening and joining in reciting some of Robbie Burn's poems.

Christmas Carolling

Carollers have been walking through the houses performing carols and dances for the residents. The girlguides put together a fun and festive performance as they were full of energy dancing around.
